

Yukon Invasive Species Council Membership Form

Yukon Invasive Species Council Mandate:

- To coordinate invasive species management in Yukon.
- To prevent the introduction and spread of invasive species in Yukon.
- To inform, educate and advise the public and professionals about invasive species and their risk to ecosystems and economies.
- To collaborate with other jurisdictions on invasive species issues.
- To encourage, promote and support research on invasive species.

YISC has a broad membership with members from municipal, territorial, federal, and First Nation governments, non-profit organizations, industry, and private citizens. YISC membership is free and open to anyone willing to work collaboratively to respond to the threat of invasive species in Yukon.

Successful management of invasive species requires the shared cooperation of a variety of agencies, organizations, user groups and individuals. YISC provides a forum in which to discuss and carry out cooperative and innovative solutions.

By filling out this Membership Form you are agreeing to support the objectives of YISC, as follows:

- support and promote the Yukon Invasive Species Council
- participate and help build leadership and a cooperative relationships for invasive plant management
- encourage other potential parties and individuals to join and participate in YISC programs and projects

Nothing in this Membership form obligates signatories to contribute financially to the Yukon Invasive Species Council.
